Dept of Agriculture,
Washington, D C

We find business pretty much as usual if we are able to reduce prices in proportion to the general reduction of incomes. Wherever supply warrants, we are glad to apply heavy reductions, if only to keep the organization employed. Note that all varieties are choice and of high rating by the American Iris Society.

1. Total Iris orders from this offer must amount to at least \$2.
2. Orders will be booked in sequence received, while the supply lasts.
3. Five per cent discount for **cash with order**. No new charge accounts opened for less than \$10.
4. Shipment during July or early August on dates you specify.
Parcel Post extra.
